FIELD SERVICES
DRINKING WATER PROGRAM

To the Tenants of Riverwood Mobile Home Park, Columbia Co

In referents of backflow devices and cross connection.

The park has purchased these devices and will begin installation immediately.

No Tenant, or other person shall change the plumbing of these devices without express permission, and supervision of the manager.

This work has to perform to comply with federal safe drinking water act of 1994. Also to be in compliance with Oregon State health division safe drinking section.

This ordinance will be strictly enforced.
