

LAZY ACRES MOBILE HOME PARK
1210 Brown St.
Woodburn. Or.

CROSS CONNECTION ENABLING AUTHORITY
INCORPORATED INTO PARK RULES

41-01399

1. That no siphoning device is to be connected to the water system without first checking with the manager.
2. No water pressure operated spraying equipment is to be used without first checking with the manager.

The above devices require, according to government regulations, a cross connection device.

If in doubt or before you employ any new pressure or siphon device please check with the manager.
