d. The type of protection required to prevent backflow into the public water supply, commensurate with the degree of hazard that exists on the water user's premises. Yes No

e. A description of what corrective actions will be taken if a water user fails to comply with the water suppliers cross connection control requirements. Yes No

f. Current records of approved backflow prevention assemblies installed, inspections completed, test results, and verification of current backflow assembly tester certification. Yes No

g. A public education program about cross connection control. Yes No

10. Do you have any **Reduced Pressure Backflow Prevention Assemblies** (RP, RPBA, & RPDA) installed in your water system? Yes No
(if you answered yes, answer the questions below)

a. How many assemblies are installed in your water system? 53

b. How many assemblies were tested? 45

c. How many assemblies passed their annual test? 45

d. How many assemblies failed their annual test? 0

Comments: 3 RPBA are not in use and water is off, 2 RPBA Need to be tested, 3 RPDA Need to be tested. 7 PRB were removed from the system as duplicates.

11. Do you have any **Double Check Backflow Prevention Assemblies** (DC, DCVA, & DCDA) installed in your water system? Yes No (if you answered yes, answer the questions below)

- a. How many assemblies are installed in your water system? 130
- b. How many assemblies were tested? 98
- c. How many assemblies passed their annual test? 97
- d. How many assemblies failed their annual test? 1

e. Comments: ~~19 DCBA are not in use and water is off. 13 DCBA need to be tested~~

12. Do you have any **Pressure Vacuum Breaker Assemblies** (PVB, PVBA, & SVBA) installed in your water system?

Yes No (if you answered yes, answer the questions below)

- a. How many assemblies are installed in your water system? 1
- b. How many assemblies were tested? 1
- c. How many assemblies passed their annual test? 1
- d. How many assemblies failed their annual test? 0

e. Comments: ~~2 SVBA in our system were duplicates from previous year and removed from our system.~~

I certify the information provided is true to the best of my knowledge. Providing false information may result in penalties to the individual and to the water system.
