| Do              | es your water system have a current written backflow pre   |   |
|                 | es the backflow prevention plan include the following:   |   |
| 1.              | A list of premises where health hazard cross connections in Table 42 (High Hazard Table).  | exist, including, but not limited to, those listed  |
| 2.              |  |   |
| 3.              | , ,  |   |
| 4.              | informing the water user of any corrective action required.  4. The type of protection required to prevent backflow into the public water supply, commensurate with the  |   |
| ٦.              | degree of hazard that exists on the water user's premises.   |   |
| 5.              |  |   |
| 6.              | 5. Current records of approved backflow prevention assemblies installed, inspections completed, test results, and verification of current backflow assembly tester certification.  |   |
| 7.              |  |   |

## **Assembly Data**

| Reduced Pressure Backflow Prevention Assemblies (RP,      | RPBA, & RPDA) |
|---|---------------|
| Are there any RPs installed in your water system? No      |               |
| How many assemblies are installed in your water system?   | ·             |
| How many assemblies were tested?                          |               |
| How many assemblies passed their annual test?             |               |
| How many assemblies failed their annual test?             | <u></u>       |
| Comments:   |               |
| Double Check Backflow Prevention Assemblies (DC, DC       | CVA, & DCDA)  |
| Are there any DCs installed in your water system? No      |               |
| How many assemblies are installed in your water system?   |               |
| How many assemblies were tested?                          |               |
| How many assemblies passed their annual test?             |               |
| How many assemblies failed their annual test?             |               |
| Comments:   |               |
|   |               |
| Pressure Vacuum Breaker Assemblies (PVB, PVBA, & S        | SVBA)         |
| Are there any PVBs installed in your water system? No     |               |
| How many assemblies are installed in your water system? _ |               |
| How many assemblies were tested?                          |               |
| How many assemblies passed their annual test?             |               |
| How many assemblies failed their annual test?             |               |
