RE: Cancellation of the Bilateral Compliance Agreement between the Oregon Health Authority and the City of Monument

The City of Monument entered into a bilateral compliance agreement (BCA) with the Oregon Health Authority, Drinking Water Services (DWS) on April 4, 2013. The City subsequently agreed to the terms of an extension on January 5, 2015. In the BCA and extension, the City agreed to complete activities to ensure compliance at the water system serving the population of Monument Oregon, identified by PWS ID# 41-00541. Specifically, the City agreed to submit construction plans for filtration treatment or a new water source no later than December 31, 2016. However, as of that date, the plans were not submitted as agreed.

Because the City failed to satisfy the terms of the BCA, the BCA and extension are hereby canceled. The City is now at risk of additional enforcement action which may include the assessment of civil penalties as prescribed by OAR 333-061-0090.

Respectfully,

Kari Salis, PE  
Interim Manager  
Oregon Health Authority, Drinking Water Services
