**RE: Water System Survey Significant Deficiencies/Rule Violations 'Parkdale Water Company Inc' public water system, PWS#:OR4100612**

Mr. John Hirata:

A water system survey was completed for 'Parkdale Water Company Inc' public water system on 4/25/16 identifying significant deficiencies and rule violations to be corrected. A letter and copy of the survey report were mailed to your attention on 5/3/16. Oregon Administrative Rule (OAR) 333-061-0076(6)(b) requires water systems that use groundwater sources to have completed corrective action or be in compliance with an approved corrective action plan within 120 days of receiving written notice of a significant deficiency.

The 'Parkdale Water Company Inc' public water system was to complete corrective action by September 9<sup>th</sup>, 2016, or have a Department-approved corrective action plan with a reasonable timeframe to complete the corrective action. To date, this information has not been received. 'Parkdale Water Company Inc' public water system is not in compliance, and a corrective action plan is needed. Please submit your corrective action plan by 10/13/16 to:

A copy of the survey letter is enclosed for your reference.

Since 'Parkdale Water Company Inc' public water system failed to take action within the required timeframe, the water company shall provide notification to all persons served by the water system as soon as practical and by no later than 30 days after the date of this letter (10/13/16). The public notice must include the mandatory language and corrective action taken (see attachment). You are also required to issue a repeat notice every three months until all deficiencies are corrected or have an approved corrective action plan. A copy of the Tier 2 public notice instructions and template are enclosed.

A direct link to the template is available at:

<https://public.health.oregon.gov/HealthyEnvironments/DrinkingWater/Operations/Pages/publicnotices.aspx#templates>

Copies of the public notice shall be sent to both the:
