RE: Administrative Notice for failure to submit disinfection byproducts (DBP) sample results.- Please note corrected due date

Dear JEFF TOMPKINS,

This letter is to inform you that DBP sampling results have not been reported for PWS # OR4191692 during the previous monitoring period.

2 DBP (both HAA5 & TTHM) sample(s) collected every year in June

2DBP-01 CLASSROOM #6

2DBP-02 CLASSROOM #1

This is a violation of Oregon Administrative Rule (OAR) 333-061-0036(4)(a)(B) or OAR 333-061-0040.

DBP samples must be collected during the month and at the location with the highest DBP concentrations. Be sure to collect your water samples at the location listed online and during the month listed above.

Also, sampling results must be received by DWS no later than January 10, 2021. If the required sampling results are not received, it may result in enforcement action, which could include the assessment of civil penalties.

You can submit sampling results to DWS using one of the following methods:

- Fax the report to (971) 673-0694

For faxed data, please include a cover sheet with the number of pages including the cover, your name, and your phone number.

- Email the report to: dwp.dmce@state.or.us
- Mail the report to: Water Quality Reports
 P.O. Box 14350
 Portland, OR 97293-0350

Please contact Alyson Reynolds/Rebecca Duerr/Nate Tisdell/Shane Sanderson with LINN COUNTY at (541) 967-3821 if you have any questions.

Your immediate attention to this matter is appreciated.

Respectfully,

Drinking Water Services
