Violation No. 2: [OAR 333-061-0036\(6\)](#) requires water suppliers to conduct quarterly coliform sampling of the water supply. No coliform tests have been reported since July of 2012. The Douglas County Health Department specifically requested the submission of coliform sampling by June 15, 2014 in their letter dated May 27, 2014. However, this sampling has not been submitted as requested as of the date of this notice. This constitutes a violation of OAR 333-061-0036(6).

ACTIONS REQUIRED TO ACHIEVE COMPLIANCE

Due to the rule violations identified above, you are required to complete the following actions relating to the Meadow Wood RV Park water system:

- Compliance Action No. 1: You must ensure samples are collected in accordance with OAR 333-061-0036(2) and report samples results no later than **August 15, 2014** to return to compliance with OAR 333-061-0036(2).
