NOTICE OF INTENT TO IMPOSE
CIVIL PENALTY

To: Mike. D Brown
S.V. Bradley, LLC
Meadow Wood RV Park
922 Old Town Loop Rd.
Oakland, OR 97462

Pursuant to Oregon Revised Statutes (ORS) 448.280, 448.285, and Oregon Administrative Rules (OAR) 333-061-0090, the Oregon Health Authority, Public Health Division, Center for Health Protection, Drinking Water Services (DWS) intends to impose a civil penalty of \$500 against you for violations of OAR 333-061-0036(2)(d) and 333-061-0036(6)(a).

You own and operate, the Meadow Wood RV Park water system located at 869 Autumn Lane in Glendale, Oregon. The Meadow Wood RV Park water system is a transient non-community public water system serving between 25 and 100 people and is subject to regulation under ORS 448.115 to 448.290 and OAR 333-061-0005 to 333-061-0290.

DWS notified you of rule violations at the Meadow Wood RV Park water system in a letter on July 23, 2014. The letter identified actions to be completed in order to comply with the rules violated and warned of civil penalties for failing to comply. You did not contact DWS regarding these violations, have not reported any of the required sampling results, and have not otherwise taken any apparent action to correct the violations. The letter is incorporated by reference.

The proposed civil penalty is based on the following violations:

1. OAR 333-061-0036(2)(d) requires sampling for nitrate every year, but nitrate sampling results were not reported to DWS for the 2013 monitoring period, which is a violation of the rule.
2. OAR 333-061-0036(6)(a) requires sampling for coliform bacteria every calendar quarter, but samples have not been collected since the third quarter in 2012, which is a violation of the rule.

CIVIL PENALTY

Pursuant to OAR 333-061-0090, you will be assessed a civil penalty in the amount of \$500 based upon the population served by the public water system, for each distinct violation and for every day the violation occurred. The civil penalty is based on the period of time from August 15, 2014 through August 19, 2014, inclusive. Each day within this five day period has two associated violations in the amount of \$50 per violation, for a total penalty of \$500.

If the violations identified in this notice, or other violations incorporated by reference, continue, you may be subject to additional civil penalties of \$50 per day per violation.

CIVIL PENALTY FACTORS CONSIDERED

In assessing the civil penalty, DWS considered the factors set out in ORS 448.285(2).

- (a) The past history of the person incurring the penalty in taking all feasible steps or procedures necessary or appropriate to correct the violation:
 - You were formally notified of the violations specified in this notice on two separate occasions, as described below, but have not demonstrated taking action to correct the violations.

1. The Douglas County Environmental Health Services Program mailed a letter to you on May 27, 2014 notifying you of the rule violations at Meadow Wood RV Park. The letter directed you to take immediate corrective action to resolve the matter. You did not respond to the letter and sample results were not reported.
2. DWS mailed a letter on July 23, 2014 describing the rule violations at the Meadow Wood RV Park water system and specifying corrective actions to be completed to avoid the assessment of civil penalties. You did not respond to the letter and sample results were not reported.

- (b)Prior violations:

- OAR 333-061-0025(1), which requires water suppliers to collect and submit samples for laboratory analyses at the frequencies prescribed in OAR 333-061-0036, was violated twenty times since September 2009 for failing to conduct the sampling specified below.
- OAR 333-061-0036(2)(d), which requires sampling for nitrate, was violated four times between January 1, 2009 and December 31, 2013 by failing to sample for nitrate required by the rule.
- OAR 333-061-0036(6)(b), which requires sampling for coliform bacteria, was violated sixteen times between September 1, 2009 and June 30, 2014 by failing to sample for coliform bacteria as required by the rule.

- (c)Economic and financial conditions of the person incurring the penalty:

- DWS has no information about your economic or financial details, or the economic or financial conditions relating to Mike. D Brown, S.V. Bradley, LLC or the Meadow wood RV Park water system.

NOTICE OF RIGHT TO REQUEST A HEARING

Leland, Manager; Oregon Health Authority, Drinking Water Services; PO Box 14450; Portland, OR 97293-0450. If a request for hearing is not received within the 20-day period, you will have waived your right to a hearing.**

If you request a hearing, you will be notified of the time and place of the hearing. You will also be given information on the procedures, right of representation and other rights of parties relating to the conduct of the hearing before commencement of the hearing. Any hearing will be held by an administrative law judge from the Office of Administrative Hearings (ORS 183.635).

If you do not request a hearing within 20 days, or if you withdraw a request for hearing, notify DWS or the administrative law judge that you will not appear or fail to appear at a scheduled hearing, DWS may issue a final order by default ordering you to pay a civil penalty. If DWS issues a final order by default, DWS designates the relevant portions of its files on this matter, including all materials that you have submitted relating to this matter, as the record for purposes of proving a prima facie case upon default.

For purposes of ORS 293.229 through 293.233 and ORS 293.250, the civil penalty specified herein will become a liquidated debt if a final order is issued. Pursuant to ORS 293.231 DWS is required to assign liquidated and delinquent civil penalties to the Department of Revenue, as provided in ORS 293.250, not later than 90 days after the final order is issued. Reasonable administrative costs, collection costs, attorney's fees, and all other costs and charges necessary for the collection of any amount not paid when due, including but not limited to collection charges assessed by the Department of Revenue may be added to the amount due of \$500.

If you need to receive the information in this letter in an alternate format, or if you have any questions about the requirements in this notice, please contact Brad K. Daniels, DHS-DWP at (971) 673-0407.

Dated this 20th day of August, 2014.
