The Oregon Health Authority, Public Health Division, Center for Health Protection (Authority) issued a Notice of Intent to Impose Civil Penalty (Notice) on March 2, 2015 for violations of the Oregon Drinking Water Quality Act and rules at the Meadow Wood RV Park water system. The Notice offered you an opportunity for hearing, if requested within 20 days of service of the Notice, but you did not request a hearing within 20 days as allowed.

FINDINGS OF FACT

You committed the following violations of administrative rules in your operation of the Meadow Wood RV Park water system:

1. Failure to monitor for nitrate as required by OAR 333-061-0036(2)(d).

The Authority notified you in a letter on both July 23, 2014 and November 6, 2014 of your violation of the rule specified above. Each letter directed you to report the necessary water quality sample results in order to comply with the rules violated but you did not comply with the deadlines specified in either letter or throughout the 2015 calendar year. The letters are incorporated by reference.
