RE: Notice of Non-Compliance regarding the Center Market #25 Public Water System

Our records indicate that you own and operate the Center Market #25 water system located at 9005 River Rd. NE, Keizer, Oregon. Therefore, you are a water supplier as defined in Oregon Revised Statute (ORS) 448.115(12) and Oregon Administrative Rule (OAR) 333-061-0020(207), and have specific responsibilities as defined in OAR 333-061-0025.

The Center Market #25 water system is a transient non-community public water system identified by public water system ID OR41-94623 which serves approximately 250 people, and is subject to regulation according to ORS 448.115 to 448.290 and OAR 333-061-0005 to 333-061-0272.

The Oregon Health Authority, Public Health Division, Center for Health Protection, Drinking Water Services (DWS) has sent two letters to you identifying the failure to report required sampling results for the Center Market #25 water system. These letters identified sampling to be conducted and deadlines for reporting results to DWS. Sample results were not reported as specified in the letters, and you are, therefore, not in compliance with the following Oregon administrative rules and not meeting your responsibilities as a water supplier as prescribed by the Oregon Drinking Water Quality Act (ORS 448.115 to ORS 448.290) and rules.

DESCRIPTION OF RULE VIOLATIONS

- Violation No. 1: OAR 333-061-0036(2), in part, requires water suppliers to conduct sampling for nitrate at public water systems, but you did not report nitrate sampling results for the Center Market #25 water system for the 2013 and 2014 yearly monitoring periods, which constitutes two violations of OAR 333-061-0036(2) if samples were, in fact, not collected.

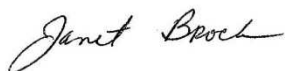

ACTIONS REQUIRED TO ACHIEVE COMPLIANCE

Due to the rule violations identified above, you are required to complete the following actions relating to the Center Market #25 water system:

- Compliance Action No. 1: You are required to monitor for nitrate according to OAR 333-061-0036(2)(d) and report the sample results to DWS no later than **thirty days of receipt of this notice**.

If you do not comply with the deadlines specified in this letter, the continued non-compliance may result in additional enforcement action including the assessment of civil penalties as prescribed by OAR 333-061-0090. Please contact Brian Hawkins at the Oregon Department of Agriculture at 503-508-6028 to discuss the compliance actions specified in this letter.

Respectfully,
