**Re: Water System Survey Significant Deficiencies/Rule Violations  
Chehalem Valley Baptist Church PWS ID# 4194879**

Dear **Mr. Borje**:

A water system survey was completed for **Chehalem Valley Baptist Church** on **September 12, 2016** identifying significant deficiencies and rule violations to be corrected. A letter and copy of the survey report were mailed to your attention on **September 19, 2016**. Oregon Administrative Rule (OAR) 333-061-0076(6) and OAR 333-061-0032(6)(e) requires water systems that use groundwater sources to have completed corrective action or be in compliance with a Department-approved corrective action plan within 120 days of receiving written notice of a significant deficiency.

The Chehalem Valley Baptist Church was to complete corrective action by **January 23, 2017** or have a Department-approved corrective action plan with a reasonable timeframe to complete the corrective action. To date, this information has not been received. As a result, the Chehalem Valley Baptist Church is in violation and is now subject to formal enforcement which could include the assessment of civil penalties. In order to return to compliance and avoid formal enforcement action, your corrective action plan to the water system survey report **must be received and approved by March 1, 2017**. Please send information to:

Alisa Zastoupil/ Gary Van Der Veen  
412 NE Ford St  
McMinnville, OR 97128

A copy of the survey letter is enclosed for your reference.

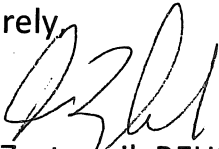

Since Chehalem Valley Baptist Church failed to take action within the required timeframe, you **must provide notification** to all persons served by the water system as soon as practical and by no later than 30 days after the date of this letter. The public notice must include the mandatory language and corrective action taken. You are also required to issue a repeat notice every three months until all deficiencies are corrected or you are in compliance with an approved corrective action plan. A copy of the Tier 2 public notice instructions and template are enclosed.

A copy of the public notice must be sent to the Oregon Health Authority - Drinking Water Program, PO Box 14350, Portland, OR 97293-0350 within ten (10) days after completion to certify that the Chehalem Valley Baptist Church has fully complied with the distribution and public notification requirements.

Please contact me by phone at 503-474-6813 or via email at [zastoupila@co.yamhill.or.us](mailto:zastoupila@co.yamhill.or.us) if you have questions or comments.

I appreciate your immediate attention to this matter.

Sincerely,
