RE: Failure to comply with administrative order and possible civil penalties.

On April 17, 2023, The Oregon Health Authority, Public Health Division, Center for Health Protection, Drinking Water Services (DWS) issued a notice of violation and administrative order (Order) to you, Joyce and Ramasurdial Prem Singh, due to violations at the Fast Break Market public water system (hereinafter "Water System"), identified by PWS ID# OR4195575 and located at 1203 Century Drive NE in Albany, Oregon.

Specifically, the Order required monitoring for coliform bacteria every month for six consecutive months. The dates for reporting coliform monitoring for the months of May and June 2023 have now passed without completion of the required monitoring.

You are now at risk of being assessed civil penalties in the amount of \$100 for every distinct rule violation and for every day the Water System is in violation of a rule (OAR 333-061-0090).

In the event Drinking Water services assesses a civil penalty, you will be notified in writing and provided an opportunity for a hearing pursuant to the Oregon Administrative Procedures Act (ORS chapter 183).

To avoid being assessed civil penalties, you must immediately report monitoring for coliform bacteria and verify completing this action by sending an email to bradley.k.daniels@dhsoha.state.or.us.

Respectfully,

Brad K. Daniels
