Was the chlorine residual ever less than the required minimum residual of mg/L? ☐ Yes ☒ No
If yes, what was the longest time period until the required level was restored?
If yes, did you monitor every four hours until the residual returned to mg/L? Did continuous monitoring equipment fail at any time this reporting month? Yes No Date continuous monitoring equipment failed:
Attach those results and submit them with this form. If yes, were grab samples collected every four hours until the continuous monitoring equipment was returned to service? Date it was returned to service:
Attach grab sample results and submit them with this form.
