Was the chlorine residual ever less than the required minimum residual of 0.5 mg/L? Yes x No If yes, what was the longest time period until the required level was restored?					
Population 3,300 or Fewer Population of more Than 3,300					more Than 3.300
If yes, did you monitor every four hours until the residual returned to 0.5 mg/L as required? Yes x No  Attach those results and submit them with this form.			Did continuous monitoring equipment fail at any time this reporting month? ☐ Yes x No		
			If yes, were grab samples collected every four hours until the continuous monitoring equipment was returned to service as required?  Yes x No  Attach grab sample results and submit them with this form.
