31						
Was the chlorine residual ever less than the required minimum residual of 0.5 mg/L? Yes x No						
If yes, what was the longest time period until the required level was restored?						
Pol	pulation 3	3,300 or Fewer		Population of more Than 3,300		
If yes, did you monitor every four hours until the residual returned to 0.5 mg/L as required? Yes x No			Did continuous monitoring equipment fail at any time this reporting month? Yes x No  If yes, were grab samples collected every four hours until the			
Attach those results and submit them with this form.			continuous monitoring equipment was returned to service as required?  Yes x No  Attach grab sample results and submit them with this form.
