				(05 (10))	
Was the chlorine residual ever less than the required minimum residual of 0.5 mg/L? Yes x No					
If yes, what was the longest time period until the required level was restored?					
Pol	pulation 3	,300 or Fewer	Population of more Than 3,300		
If yes, did you monitor every four hours until the residual returned to 0.5 mg/L as required? Yes x No Attach those results and submit them with this form.			Did continuous monitoring equipment fail at any time this reporting month? ☐ Yes x No		
			continuous monitoring eq required?	If yes, were grab samples collected every four hours until the continuous monitoring equipment was returned to service as required? Yes x No Attach grab sample results and submit them with this form.
