

We do not have a written water policy at present. The following will be sent to tenants and included in future rental agreements.

**To the tenants of Trailer Town:**

**This is to inform you of the following revision to Rules and Regulations.**

**Water system**

- 1. No tenant shall make any changes to the water system without the authorization of the management.**
- 2. No dual check valves or atmospheric breakers shall be installed.**
- 3. Failure to comply will result in water disconnection.**
