**Re: Well (PR#29-2023)
Sunshine Village (PWS ID#00406)
Final Approval**

Dear Kerry Shroy:

On January 8, 2025, the Oregon Health Authority Drinking Water Services (DWS) received confirmation that the above project was completed according to the plans submitted and conditions set forth in the April 14th, 2023, conditional approval letter.

This verification completes the plan review requirements. Final approval is issued at this time, and the facility is approved for use. Please note that new well will be named "Well #6" by DWS and "Well #1" will be updated as disconnected/abandon. Please ensure new wells sampling references "Well #6". If you have any questions, please feel free to call me at 541-231-9077.

Sincerely,

Zach Golik, PE
