**Re: Well-Bailey Park (PR#164-2023)
Junction City Water Utilities (PWS ID#00418)
Final Approval**

Dear Gary Kaping:

On March 28th, 2025, Oregon Health Authority Drinking Water Services (DWS) received confirmation that the above project was completed according to the plans submitted and conditions set forth in the January 31st, 2024, conditional approval letter and as-builts provided by HBH Consulting Engineers, Inc. on March 28th, 2025.

This verification completes the plan review requirements. Final approval is issued at this time, and the facility is approved for use. Please refer to the Junction City Water Utilities public water system online data profile for the most current sampling and monitoring requirements in association with Junction City new "Bailey Park" well. If you have any questions, please feel free to call me at 541-230-9077.

Sincerely,

Zach Golik, PE
Regional Engineer
OHA-Drinking Water Services
