Re: **Master Plan (PR#142-2017)**
Luckiamute Domestic Water Co-op (PWS ID#00538)
Concurrence with Master Plan

Dear Mr. Smith:

Thank you for your submittal to the Oregon Health Authority's Drinking Water Services (DWS) of the Water System Master Plan for the Luckiamute Domestic Water Co-op. On December 12, 2017, our office received a copy of the June 2005 Master Plan. A plan review fee of \$4,125 was received on December 28, 2017.

The Master Plan represents a 20-year planning horizon out to the year 2025. The plan includes a system description, future demand estimates and CIP project lists with cost estimates. Upon review of the Master Plan, it appears the criteria listed in Oregon Administrative Rules (OAR) 333-061-0060(5) have been met.

If you have any questions, please feel free to call me at (971) 673-0191.

Sincerely,

Carrie Gentry, PE
Regional Engineer
Drinking Water Services
