Re: 189th Pump Station – PR #47-2024
Tualatin Valley Water District – PWS #00665
Final Approval

Dear Corianne:

On September 2, 2025, our office received confirmation that the above project was completed according to the plans submitted and conditions set forth in the April 23, 2024 conditional approval letter. Carollo Engineers, Inc. requested a waiver from the construction standards in the conditional approval letter on May 28, 2024. Our office approved Waiver # 2024-488 on June 12, 2024.

This verification completes the plan review requirements. Final approval is issued at this time, and the facility is approved for use. If you have any questions, please feel free to call me at 541-393-4374.

Sincerely,

Baxter Call, PE
Regional Engineer
