Final Approval**

Dear Justin:

On January 30, 2024, our office received confirmation that the above project was completed according to the plans submitted and conditions set forth in the June 30, 2021 conditional approval letter. A passing coliform result was presented on April 19, 2024.

Final approval is issued at this time, and the facility is approved for use. If you have any questions, please feel free to call me at (971) 201-9794.

Note that additional sampling schedules will be set up in the near future and the water system will be contacted separately about these schedules.

Sincerely,

Carrie Gentry, PE
