**City of Scappoose (WS ID# 00792)**  
**Concurrence with Master Plan**

Dear Ms. Rains:

Thank you for your submittal to the Oregon Health Authority's Drinking Water Services (DWS) of plan review information for the Water System Master Plan for the City of Scappoose. On 5 November 2019, our office received a copy of the 2019 Master Plan. A plan review fee of \$4,125 was also received.

The Master Plan must consider at least a 20-year planning horizon out to the year 2039. The plan includes a system description, future demand estimates, seismic analyses, and CIP project lists with cost estimates. Upon review of the Master Plan, it appears the criteria listed in Oregon Administrative Rules (OAR) 333-061-0060(5) have been met.

If you have any questions, please feel free to call me at 971.673.0462.

Sincerely,
