**Re: Panoramic Ridge Phase 5, Plan Review #69-2021, City of Stanfield, PWS ID #4100842
Final Approval**

Dear Braden & Christine:

Thank you for providing confirmation to the Oregon Health Authority's Drinking Water Services that the above project was completed according to the approved plans. On April 20, 2021, our office received plans, specifications and a Land Use Compatibility Statement for the project. On May 17, 2021 the plan review fee of \$3300 was received. The project consisted of installing approximately 1450 feet of new 8" and 60 feet of 6" pipe to serve 23 lots in Phase 5 of the Panoramic Ridge development. Final approval is granted for the project.

If you have any questions or would like this in an alternate format, please feel free to call me at (541) 966-0900 or email at william.h.goss@oha.oregon.gov.

Sincerely,

William Goss, P.E.
Regional Engineer
