Re: **Well #2 – L150188**
Sunset Lake RV Park – WS # 00933
Final Approval – PR # 160-2023

Dear Mr. Hick:

On 18 September 2024 our office received the initial sampling from the new Well #2. A few weeks earlier we received confirmation that the above project was completed according to the plans submitted and conditions set forth in the conditional approval letter on 29 March 2024. Be sure to check back with me about the [sampling schedules online](#) this autumn so we can reduce the sampling frequency significantly.

Final approval is issued at this time, and the facility is approved for use. If you have any questions, please feel free to call me at 971.201.6428.

Sincerely,

Pete Farrelly, PE
Regional Engineer
Drinking Water Services
