Re: Willamette River Water Treatment Plant Expansion – PR#38-2022
City of Wilsonville – PWS # 00954
Final Approval

Dear Bryan:

On January 26, 2026 our office received confirmation that the above project was completed according to the plans submitted, summarized in the [April 20, 2022 preliminary approval letter](#).

This verification completes the plan review requirements. Final approval is issued at this time, and the facility is approved for use. If you have any questions, please feel free to email me at keith.male@oha.oregon.gov or call me at 503-939-1322.

Sincerely,

Keith Male, PE
Regional Engineer
Drinking Water Services
