**Re: Concurrence with Master Plan (PR#110-2025)
Winston-Dillard Water Department (PWS ID#00957)**

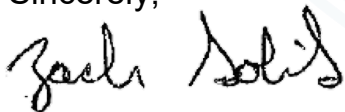

Dear Tanner Pence:

Thank you for your submittal to the Oregon Health Authority's Drinking Water Services (DWS) of plan review information for the Water System Master Plan for the Winston-Dillard Water District. DWS received a copy of the Water Master Plan. A plan review fee of \$4,125 was received on October 10th, 2025.

The Master Plan represents a 20-year planning horizon out to the year 2045. The plan includes a system description, future demand estimates and CIP project lists with cost estimates. Upon review of the Master Plan, it appears the criteria listed in Oregon Administrative Rules (OAR) 333-061-0060(5)(a)(A through J) have been met and we concur with these findings.

If you have any questions, please feel free to call me at 541-231-9077.

Sincerely,
