Re: Arsenic Treatment (PR#25-2021)
Dexter Oaks Co-Op (PWS ID#00998)
Final Approval

Dear Lonny Sayles:

On May 8, 2025, the Oregon Health Authority Drinking Water Services (DWS) received confirmation that the above project was completed according to applicable DWS constructions standards.

This verification completes the plan review requirements. Final approval is issued at this time, and the facility is approved for use. If you have any questions, please feel free to call me at 541-231-9077. Please review the public water system's online data profile for updates and the latest sampling changes in relation to the approved treatment systems at the public water system.

Sincerely,

A handwritten signature in black ink, appearing to read "Zach Golik".
