Conditional Approval

Dear Michael:

On November 14, 2023, our office received confirmation that the above project was completed according to the plans submitted and conditions set forth in the November 8, 2013 conditional approval letter. The conditions in the conditional approval letter were verified to be complete from the most recent water system survey.

This verification completes the plan review requirements. Final approval is issued at this time, and the facility is approved for use. If you have any questions, please feel free to call me at 503-939-1322 or email me at keith.male@oha.oregon.gov.

Sincerely,
