EWEB-Carmen Smith Hydro Plant (PWS ID#05556)
Final Approval**

Dear Chris Taylor:

On October 21, 2024, the Oregon Health Authority Drinking Water Services (DWS) received confirmation that the above project was completed according to the plans submitted and conditions set forth in the January 12, 2021, conditional approval letter. The water system's "Well #2" will be updated to approved.

This verification completes the plan review requirements. Final approval is issued at this time, and the facility is approved for use. If you have any questions, please feel free to call me at 541-231-9077.

Sincerely,
