**Final Approval – PR # [206-2015](#)**

Mr. Jacob:

On 12 July 2024 our office received confirmation that the above project was completed and that conditions from the 2 April 2024 conditional approval letter were met.

This verification completes the plan review requirements. Final approval is issued at this time, and the facility is approved for use from OHA.

Please continue to provide Daniel Osborn information to complete merging the two water systems into one, Columbia Hills HOA.

If you have any questions, please feel free to call me at 971.201.6428.

Sincerely,

Pete Farrelly, PE
