**Plan review abandonment**

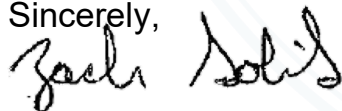

Dear John Cornell:

The Oregon Health Authority Drinking Water Services (DWS) has abandoned the subject project. This plan review abandonment decision comes out of the DWS's plan review manager determining the DWS plan review for the elective UV installation was not necessary.

With receipt of this letter, this concludes the plan review process with the DWS for the UV disinfection installation.

If you have any questions, please feel free to call me at 541-231-9077.

Sincerely,

Zach Golik, PE
