Final Approval**

Dear Darrell:

On April 8, 2024, our office received confirmation that the above project was completed according to the plans submitted and conditions set forth in the July 16, 2024 conditional approval letter.

Final approval is issued at this time, and the facility is approved for use. If you have any questions, please feel free to call me at (971) 201-9794.

Note that a tracer study is required. A tracer study proposal must be submitted in advance of conducting the tracer study. Chantal Wikstrom, copied on this email, can discuss that requirement with you.

Sincerely,

Carrie Gentry, PE
