Final Approval

Dear Steve Sumner:

On October 25, 2021, during the survey and water treatment plan inspection, I confirmed that the above project was completed according to the plans submitted and the condition set forth in the May 20, 2016 conditional approval letter.

This verification completes the plan review requirements. Final approval is issued at this time, and the facility is approved for use. If you have any questions, please feel free to call me at (541) 650-4868.

Sincerely,

Rebecca Templin, P.E.
