Dear Kevin:

On April 16, 2024, our office received a set of as-built plans, coliform sample results and a plan review fee of \$825 for the waterline project for the Columbia Gorge Discovery Center. The project meets our construction standards.

Final approval is issued at this time, and the facility is approved for use. If you have any questions, please feel free to call me at (971) 201-9794.

Sincerely,
