**Re: Springs (PR#155-2023)  
Diamond Lake Gas Stations (PWS ID#95243)  
Plan review abandonment**

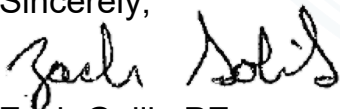

Dear Gary Holloway:

The Oregon Health Authority Drinking Water Services (DWS) has abandoned the subject project. This plan review abandonment decision comes out of the DWS's September 24<sup>th</sup>, 2024, meeting with the Diamond Lake Resort management and the resulting correspondence indicating the Diamond Lake Resort is no longer pursuing plan review approval for the four reconstructed "Spring" water sources.

With abandonment of the plan review process for the reconstructed Spring surface water sources, please maintain the water system on a boil water advisory and issue public notice to customers until approved treatment or alternate source can be connected too.

If you have any questions, please feel free to call me at 541-914-7021.

Sincerely,

Zach Golik, PE  
Regional Engineer  
Drinking Water Services
