Final Approval**

Dear Brian:

On March 15, 2023, our office received confirmation that the above project was completed according to the plans submitted and conditions set forth in the March 3, 2023 conditional approval letter.

Final approval is issued at this time, and the facility is approved for use. Note that the lead and copper sampling schedule will be increased to reflect the required two 6-month rounds at 5 sample sites.

If you have any questions, please feel free to call me at (971) 201-9794.

Sincerely,

Carrie Gentry, PE
