Dear Delando Pegan:

On April 25th, 2025, the Oregon Health Authority Drinking Water Services (DWS) received confirmation that the above project was completed according to the plans submitted and conditions set forth in the January 4th, 2023, conditional approval letter and as-builts information provided by Siskiyou Pump on April 25th, 2025.

This verification completes the plan review requirements. Final approval is issued at this time, and the facility is approved for use.
