**Re: New System and South Well (PR#77-2024)  
Two Capes Campground (PWS ID#95752)  
Final Approval**

Dear Bradley:

On February 12, 2025, our office received confirmation that the above project was completed according to the plans submitted and conditions set forth in the December 16, 2024 conditional approval letter.

Final approval is issued at this time, and the facility is approved for use. Note that you will need to work with Jaime Craig at Tillamook County Health Department to activate this system on our inventory. Monitoring schedules for coliform and nitrate will begin at that time.

If you have any questions, please feel free to call me at (971) 201-9794.

Sincerely,

Carrie Gentry, PE  
Regional Engineer
