Re: New Well – PR#25-2023  
Roadhouse Ranch & Camp – PWS #95766  
Final Approval

Dear Zachary:

On July 3, 2025 our office received confirmation that the above project was completed according to the plans submitted and conditions set forth in the March 30, 2023 conditional approval letter and as-builts provided on July 3, 2025.

This verification completes the plan review requirements for the new well. Final approval is issued at this time, and the facility is approved for use. If you have any questions, please feel free to call me at 503-939-1322 or email me at [keith.male@oha.oregon.gov](mailto:keith.male@oha.oregon.gov).

The chemical monitoring schedule can be found at the following webpage and includes annual nitrate sampling:

[https://yourwater.oregon.gov/schedule\\_status.php?pwsno=95766](https://yourwater.oregon.gov/schedule_status.php?pwsno=95766)

The coliform monitoring schedule will include 1 routine sample per quarter starting July 1, 2025. The schedule can be found with the following link:

<https://yourwater.oregon.gov/schedulescoliform.php?pwsno=95766>

Sincerely,

A handwritten signature in black ink that reads "Keith Male". The signature is fluid and cursive.

Keith Male, PE  
Regional Engineer  
Drinking Water Services
