Dear JOHN HIRATA,

Also, sampling results must be received by DWS no later than January 10, 2021. If the required sampling results are not received, it may result in enforcement action, which could include the assessment of civil penalties.

You can submit sampling results to DWS using one of the following methods:

For faxed data, please include a cover sheet with the number of pages including the cover, your name, and your phone number.
