RE: Violation of the Notice of Non-Compliance issued on June 17, 2015 and possible civil penalties

On June 17, 2015, the Oregon Health Authority, Public Health Division, Center for Health Protection, Drinking Water Services (Authority) issued a Notice of Non-Compliance requiring you to submit construction plans for the Walt's Mushroom Camp water system (PWS ID# OR4195465) no later than August 1, 2015.

This date has passed without submission of the required plans, and you are now at risk of being assessed civil penalties in the amount of \$50 for every distinct rule violation and for every day the Walt's Mushroom Camp water system is in violation of a rule (OAR 333-061-0090).

In the event that DWS assesses a civil penalty against you, you will be notified in writing and provided an opportunity for a hearing pursuant to the Oregon Administrative Procedures Act (ORS chapter 183).

To avoid being assessed civil penalties, you can immediately submit construction plans to the Authority and verify your action by contacting Jay MacPherson at (541) 726-2587 x57.

Respectfully,

Brad K. Daniels
